

# USB-CR-1

USB Pen-style Card Reader

## Hassle-free Memory access.

Looking for a low-cost and high-speed Card Reader for your SD®, MMC® or RS-MMC® Memory Cards in a totally unique small footprint design?

Introducing the new USB Pen-style Card Reader from Dynamode. The innovative **USB-CR-1** offers super fast read/write times to your existing Memory Cards while offering a truly compact design which is no bigger than a USB memory stick, which makes it truly portable.

Ideal for Notebook or other on-the-move users such as Digital Photographers and PDA Users for example, the **USB-CR-1** is multi Operating System compatible and is an ideal accessory for both Windows® Vista® and MAC® users including the latest MAC OS X Operating system

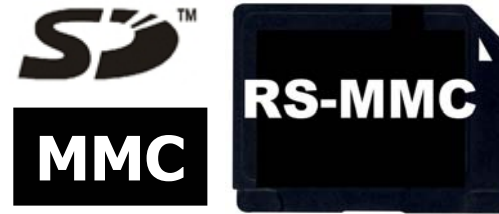

Also available in 4 or 6 slot external USB types.
